

KEEP ROCKPORT WILD

Did you know Rockport is facing a massive development plan of its 4000+ rewilded area?

160+ RV sites, over half of its acreage committed to medium-high traffic use, a DNR hub, and more! Whether money is available now or in the future, the development of this plan is happening now, and communities should be an integral part of it!

Points of concern: Animal life, Bat hibernaculum, Cultural and historical preservation, Dark sky, Deep water pier, Flyway/migratory path for birds, Forest, Geology and fossiling, Grasslands, Litmus site for Lake Huron, Local impact but not local economy, Maintenance, Noise pollution, Peace in nature, Plant life, Recreation, Shoreline, Sinkholes, Traffic, Water health and runoff
